December 2016

The December Meeting of the SWFPS was held on Dec. 13th at Worthington Country Club. Everyone was in a festive mood, dressed in holiday colors and wearing sparkling smiles. We had a Christmas Gift Exchange.....and prizes were awarded in a Holiday Raffle by Lynn Miller, our program chair and first vice-president.

The program for the meeting was information about distribution of our Scholarship money through the SouthWest Florida Community Foundation in Fort Myers. The speaker, Carolyn Rogers, (pictured on following page) told the group how to invest while they handle the disbursement of our funds. They contact the Schools and recommend the recipients (we have a choice). The Foundation then follows through with the student to be certain he or she is going to the school that recieves the scholarship money.

Executive Committee:
